

LEADERSHIP TRAINING FOR VOTER ENGAGEMENT AND MOBILIZATION IN SOUTH JERSEY

Saturday, February 22, 9:00 AM to 2:00 PM, Shiloh Baptist Church, 1837 NE Blvd, Vineland, NJ

ORGANIZING FOR POWER

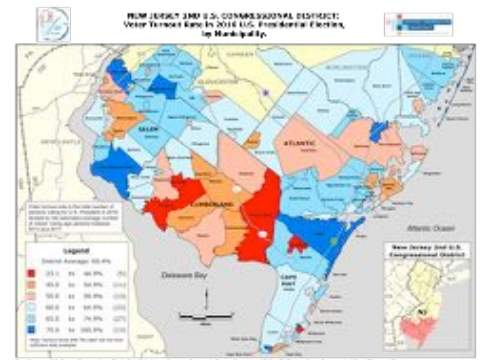

The ***Voice to the Voiceless Project*** will train leaders as community organizers and promote expanded electoral participation in the 2nd Congressional District of NJ.

Got to: buildingoneamerica.org to register.

The **2nd District** is one of the most competitive in the nation, won twice by Barack Obama and once by Donald Trump. It's current member of Congress, Jeff Van Drew, recently switched parties, and there are now a half dozen contenders for that office.

This non-partisan program will not endorse or support a candidate for Congress or President. It is not about candidates, it is about voters and grassroots leaders like you ***who want the voice of the people of the district to be heard*** above the national media, the big money and the two political parties. Participants do not have to be from or live in the district.

This training is modeled after the highly successful ***Camp***

Obama program developed by President Obama and his community organizing field staff in 2008 and is a partner with the non-partisan ***When We All Vote*** project led by First Lady ***Michelle Obama***.

The training will be a half-day session that will include the principles of leadership and community organizing and the mechanics of expanding political participation.

The training will start at 9:00 AM sharp and will end at 2:00 PM.

Participants must attend the entire training. All attendees must pre-register at buildingoneamerica.org

There is a \$10.00 fee to cover refreshments.

Shiloh Baptist Church is at: 1837 NE Blvd in Vineland, NJ
